

# **GREYSTONE TITLE AGENCY, LLC**

## **GENERAL RULES**

### **A. Definition of Escrow**

Escrow means any transaction wherein any property, money, written instrument or evidence of title to real property or other thing of value is delivered with or without transfer of legal or equitable title, or both, and irrespective of whether a debtor/creditor relationship is created, to a person not otherwise having any rights, title or interest therein in connection with the sale, transfer, encumbrance or lease of real or personal property, to be delivered or redelivered by that person upon the contingent happening or non-happening of a specified event or performance or nonperformance of a prescribed act, when it is then to be delivered by such person to a grantee, grantor, promisee, promisor, obligee, obligor, bailee, bailor, or a designated agent of employee or any of them. Escrow includes subdivision trust (A.R.S. §6-801, as amended).

### **B. Computation from Basic Rate**

1. There shall be a basic escrow rate charged for all residential escrow transactions, which rate shall vary with the "fair value" of the real property involved in the transaction. The Basic Escrow Rates for (fee and/or leasehold) are set forth in the Rate Schedule.
2. The escrow rate in commercial and industrial real property transactions (fee and/or leasehold) shall also be computed from the basic escrow rate as described in the Summary Account and Rate Schedule sections of this Escrow Rate Filing.
3. Special escrow rates are made applicable to escrow transactions: (1) builders, contractors, developers, and subdividers; and (2) to licensed real estate salesmen or brokers, licensed mortgage brokers, or other individuals, groups of individuals or entities customarily engaged in real estate investments on those transactions wherein they are a party (buyer or seller) as opposed to transactions wherein they participate for commission or a fee. Rates applicable to this category of escrow transaction is based on "fair value" as defined herein and as more fully described in the pertinent Summary Account section.
4. Smart-Start escrow rates are made available for qualified escrow transactions, which involve residential real property (fee and/or leasehold). Rates applicable to this category of escrow transaction is based on "fair value" as defined herein and as more fully described in the pertinent Summary Account section. This rate includes a Smart-Start Marketing Package as described under Section 108.
5. Commercial and industrial sub-dividers, builders and developers shall be charged an escrow rate based on the basic escrow rate and expressed as a percentage thereof.
6. The rates applicable to other categories of escrow transactions, including those where special rates are applicable, are similarly described in the miscellaneous service or under miscellaneous service charges.
7. The combining of rates into a single line item for the purposes of the Settlement Statements. The breakdown will be notated in the file and will be provided to show what items were combined on closing statements, when requested.

### **C. Fair Value**

The fair value shall be construed as the full value of the property, or the sale price, including the encumbrances, whichever is higher. When a sale is not involved, the fair value shall be determined from all available information, i.e., amount of funds escrowed, amount of encumbrances, assessed value, etc. It shall not be less than the sum of the unpaid principal balances of the mortgages and/or contracts to which the property is subject.
